

Junior LNG Broker - Singapore

Job Title: Junior LNG Broker – Singapore

Summary: We are looking for a motivated and self-driven individual for the position of Junior Broker working closely with our other offices globally as well as our clients in the LNG industry.

After an initial phasing in, the Junior Broker will be expected to assist brokers in servicing existing clients which will involve direct client interaction and deal making as well as expanding and building new client relationships within the LNG industry, primary in the Pacific region.

Qualifications and Requirements:

The successful candidate will have most or all the following qualifications:

- At least 2 years of brokering or equivalent experience in the LNG Shipowner or charterer domain.
- A university degree and a proven track record of commitment and delivering tangible results.
- A team player with strong interpersonal skills, comfortable engaging with clients and colleagues from diverse cultural backgrounds.
- A self-starter with a proactive approach and an insatiable curiosity and drive to excel.
- Fluency in English is a must, but proficiency in languages like Mandarin, Korean, or Japanese is a distinct advantage.
- Strong business acumen and a commercial aptitude
- Proficiency in Microsoft Office Suite.

About Poten:
