

POTEN & PARTNERS

HOUSTON / NEW YORK / LONDON / ATHENS / SINGAPORE / GUANGZHOU / PERTH

LPG OPERATOR, London

Job title: LPG Operator

Location: London

Start date: Flexible between July and September 2025

Level: This is an entry level role with no prior experience required – however previous experience in LPG or a marine commercial/operational role would be advantageous

About the role:

As an Operator at Poten & Partners you will be trained to operate a portfolio of VLGC voyages and LPG trades which have been brokered by our freight and product teams. Experience as a marine operator or in the LPG sector is welcomed but is not required. After a training period, the role will involve regular communication with international and domestic clients and key responsibilities will include ensuring contractual deadlines are met for each fixture, reviewing and drafting import/export documentation and letters of indemnity, calculation of freight costs, and assisting with the negotiation of claims.

What we are looking for:

- Educated to degree level
- A good eye for detail and strong organizational skills
- Strong communication and problem-solving abilities
- A person who enjoys continuous learning
- Works well under pressure and in a fast-moving business environment
- Capable of interacting easily, comfortably and respectfully with clients and colleagues from a wide variety of cultures and backgrounds
- Ability to speak and write fluently in English
- The candidate will also need to be eligible to live and work in the UK.

To be considered for this position, please send your CV and covering letter to jrivers@poten.com and anjula.nathan@poten.com.

Please ensure to indicate your earliest possible starting date as well as your right to live/work in the UK.
